## Eyewear Protection Plan

[kp.org/2020](https://kp.org/2020)

Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. Clinical services are provided by providers or contractors of Southern California Permanente Medical Group and Kaiser Foundation Hospitals may receive compensation for providing facilities and/or other support in connection with these services. For specific information about your health plan benefits, please see your Evidence of Coverage.

## One Year Eyewear Replacement Plan

Replace your damaged eyewear with the same pair for 50% of their current retail price. The plan term is one year from the original order's delivery date.

Replacements of the lenses must be of the same type and prescription as original lenses. If the same frame is unavailable a replacement of equal value will be provided. Discount will be applied only after the original frame and lenses are returned.

The Plan does not apply to loss or theft and cannot be combined with optical benefits, discounts, promotions or insurance. See store for details.
