Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members, including those members with the Pediatric vision benefit under their Affordable Care Act plan, may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. For specific information about your health plan benefits, please see your Evidence of Coverage. Discount given off frame price. Valid with Senior Advantage and Senior Advantage Plus. Not valid with Medi-Cal coverage unless the member chooses to upgrade to qualifying frame price and to lens products that are not medically justified. Not valid with other special packages or percentage discounts. Not valid with Maui Jim or Oakley prescription sunglasses. Not valid with Glass or plain CR-39 lenses. Excludes VE BASIC CR-39. Expires December 31, 2022.
