by KAISER PERMANENTE®

Offer available in Northern California.

* To be eligible for 25% off additional pairs of eyeglasses, the first pair and all additional pairs must each be a complete pair (frames and lenses). The additional pairs must be purchased using the same prescription as the first pair and purchased within two years of the first pair. The additional pairs must be purchased in conjunction with the purchase of an Eyeglass Extended Purchase Agreement (EEPA), either when ordering the first pair or when the first pair is picked up. Not valid with any other offers, promotions, or discounts.

Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members, including those members with the pediatric vision benefit under their Affordable Care Act plan, may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. For specific information about your covered health plan benefits, please see your *Evidence of Coverage*. Photo of model shown, not actual patient.
