

# 40% OFF

additional pairs of eyeglasses

**Now through October 31, 2018, buy a complete pair of prescription eyeglasses for \$150 or more, or an annual supply of contact lenses, and get additional pairs of eyeglasses at 40% off<sup>1</sup>.**

**Offer expires October 31, 2018.**

<sup>1</sup>You may be eligible for 40% off additional pairs of eyeglasses in three ways: 1) Purchase a complete pair of prescription glasses (frames and prescription lenses) valued at \$150 or more, 2) purchase an annual supply of contact lenses, or 3) purchase a 6-month supply of 1-day contact lenses. The additional pairs must also be a complete pair (frames and lenses), must be purchased using the same prescription as the first pair of prescription glasses, and be of equal or lesser value to the first of prescription glasses. The 40% off can be applied to additional prescription eyeglasses or prescription sunglasses.

Not valid with any other offers, discounts or promotions. Maui Jim, Oakley, and Ray-Ban are excluded. Offer valid in Northern California only.

Medicaid and Medicare members are not eligible for the 40% discount.

Kaiser Permanente members typically have coverage for medically necessary eye examinations, and some members, including those members with the pediatric vision benefit under their Affordable Care Act plan, may be able to apply a supplemental benefit to their purchases. Otherwise, the services and products described here are provided on a fee-for-service basis, separate from and not covered under your health plan benefits, and you are financially responsible to pay for them. For specific information about your covered health plan benefits, please see your Evidence of Coverage. Photos of models shown, not actual patients.
